**Diploma in Human Resources**

(100%)

Course Details

Human resources plays a key role in modern organisations and businesses, be they private sector, public sector or voluntary. This online course covers diverse topics in human resources, from the role of the human resources manager to how to recruit, select, train and assess employees, to employee motivation, employee-employer relations, and how to manage change within an organisation. This course will give learners a thorough knowledge and understanding of the role human resources plays in organisations, and will be of great interest to business professionals working in the area of human resources, or to learners who are pursuing a career in this area.

Modules and Topics Studied

- Module 1: Human Resources Management
- Module 2: HR Consultants
- Module 3: Job Design and Pay
